Remarks

Charming 1.5-story home nestled in the quiet, small-town community of Sugar Creek, offering a versatile layout, inviting outdoor spaces, and a generous .24-acre lot. Enjoy the convenience of being within walking distance of the local elementary school, while still being just minutes from the amenities of the greater Kansas City area.

The fully equipped kitchen features stainless steel appliances, a pantry, and a convenient built-in desk. Just off the kitchen, the large sunroom offers a bright and welcoming space to relax or entertain, with durable tile flooring and views of the lovely backyard.

The main-level bedroom provides easy one-level living and connects to a full bath with two entries, plus an additional separate vanity room for added convenience. Upstairs, a loft-style bedroom with an ensuite half bath offers a private retreat or flexible space for guests, family, or hobbies.

Outside, enjoy the park-like yard featuring a charming built-in picnic bench, space for a garden, and plenty of room to enjoy the outdoors. The fantastic front porch adds another inviting spot to sit and relax.
